District Officer

INSTRUCTIONS TO THE BIDDERS

1. Online tenders are invited for and on behalf of the Governor of Kerala only from registered bidders approved by Ground Water Department for the
 - a. The tender document(s), may be downloaded free of cost from the e-Government Procurement (e-GP) website (www.etenders.kerala.gov.in). No payment is required for downloading the tender documents from the above website however a bid submission fee, as mentioned below in this document, is required to be submitted along with the online bid.
 - b. Only those bidders having a valid and active registration, on the date of bid submission, shall submit bids online on the e-GP website. All bids shall be submitted online on the e-GP website only in the relevant envelope(s)/ cover(s), as per the type of tender. No manual submission of bids shall be entertained for the tenders published through e-GP system under any circumstances.
 - c. The e-GP system shall not allow submission of bids online after the stipulated date & time. The bidder is advised to submit the bids well before the stipulated date & time to avoid any kind of network issues, traffic congestion, etc. In this regard, the department shall not be responsible for any kind of such issues faced by bidder.
 - d. Ineligible bidders or bidders who do not possess valid & active registration, on the date of bid submission, are strictly advised to refrain themselves from participating in this tender. If such instances are noticed, the same shall be treated as “fake bidding” by the respective bidder and such bidder shall be blacklisted as per departmental rules in force.
 - e. The bidders, who submit their bids for this tender after digitally signing using their Digital Signature Certificate (DSC), accept that they have clearly understood and agreed the terms and conditions including the Form/ Annexures of this tender.
 - f. Mention of price details at any place other than the designated place, shall disqualify the bidder and the bid shall be summarily rejected.
2. The items and sub-heads of works to be done are enumerated in the subjoined schedule. Unless otherwise specified, the tender must be for the whole or any individual work and part tenders are liable to rejection. A bidder may tender for more than one work with the earnest money deposit specified in each case, but shall not tender for any part of a work, unless specifically so required.
3. All works shall be done in conformity with the specifications and conditions of contract in force in the Ground Water Department. In case of schedule rate contract, bidders must quote their own rates specifically for each item without reference to the departmental estimates or' the current schedule of rates and for percentage rate contract only a single rate as an overall percentage above or below or at the rate given in the schedule by a single entry at the space provided in the schedule under, the head quoted rate may be made. The rates quoted shall be inclusive ones; covering all the operations contemplated in the specifications and tender schedules and all incidental work necessary for such operations such as shoring, bailing out work, scaffolding, etc. The rates quoted shall be inclusive of all taxes applicable.
 - a. When tenders are submitted based on bidder's alternate designs such tenders should be accompanied by a schedule of quantities of materials to be used for each item of work with complete detailed specifications and data as a separate attachment at the designated place while submitting the bids online. In such cases the benefit of any savings in the quantities of materials actually, used up under each item of work during execution will accrue to the department.
 - b. The overall percentage rates accepted and specified in the agreement shall not be varied on any account whatsoever.

Contractor

District Officer

- c. The bidders who quoted below estimate rate will remit performance guarantee with a view to curb the tendency to quote low rates and execute the works unsatisfactorily.
 - i. If the quoted PAC differ estimate PAC by more than 25%, the bid will be rejected.
 - ii. If the quoted PAC differ estimate PAC up to 25%, the bidder will remit performance guarantee equal to the unbalanced price in the estimate P.A.C and quoted P.A.C. This will be released only after satisfactory completion of the work.
 - iii. No interest, in any circumstances, shall be payable by the department to the bidder for the EMD/ security deposit/performance guarantee furnished.
4. Tender duly signed using bidder's valid Digital Signature Certificate shall be submitted online on e-GP website [www. etenders.kerala.gov.in](http://www.etenders.kerala.gov.in) before . The bids will be opened online at the office of the tender inviting authority on by the District Officer in the presence of those bidders or their authorized agents who wish to be present. In case it is not possible to open the tenders on the specified date due to any valid reason the revised time and date of opening of tenders will be published on e-GP website. The bidders shall check the e-GP website regularly for such updates. The total amount of each tender will be read out. There is no provision for correction of bids once submitted online. However, multiple bids can be submitted by the bidder, in case of corrections, till the last date & time of bid submission and the most recent/ latest bid submitted before the stipulated date & time of bid submission shall only be considered by e- GP for further processing. Details of individual rates will be treated as confidential and will not be read out.
 - a. Bidders shall remit the tender document fees and EMD using he online payment options of e-procurement system only. Bidders are advised to visit the "Downloads" section of e-procurement website (www.etenders.kerala.gov.in) for detailed instructions on making online payment using Internet Banking facility of SBT or by using NEFT facility. Bidders opting for NEFT facility of online payment are advised to exercise this option at least 48 hours before the closing of the bid to ensure that payment towards tender documents fees and EMD are credited and a confirmation is reflected in the e-procurement system. The online NEFT remittance form provided by e-procurement system for making a NEFT transaction is not a payment confirmation. KSITM/NIC/SBT/PWD shall not be responsible for any kind of delay in payment status confirmation.
 - b. The bidder shall mandatorily enclose an attested copy of his/ her valid and active Registration Certificate to the Tender Inviting Authority in an envelope. The bidder shall get the Registration Certificate attested. The envelope, containing attested copy of the valid and active Registration Certificate, preliminary agreement should reach the department on or before the bid opening date & time, failing which, the bid is liable to be rejected. The department shall not be responsible for any postal service delay or any other delay. Bidders, who have secured exemption from individual EMD payments, need not do this except when special Earnest money is asked to be deposited. Such EMD exemption certificate/ document needs to be scanned and submitted online along with the bid, failing which, the bid shall be rejected summarily. The original EMD exemption document may have to be produced, if required, failing which, the bid shall be rejected summarily.
5. Selected bidder will be required to produce income-tax and sales tax clearance certificates before final payment is made for the work, and before security deposits released.
6. In the case of proprietary or partnership firm, it will be necessary to submit online the scanned copy of the certificates aforementioned for the proprietor or proprietors and for each of the partners as the case may be. All bids received without the scanned copy of certificates mentioned at point 6 & 7 above will be summarily rejected.
7. The bidder shall examine closely the Madras Detailed Standard Specifications, CPWD specification, IRC specification, MoRTH specification, and also the standard preliminary

Contractor

District Officer

specifications contained therein which is available for viewing on the e-GP website and PWD Website before submitting his tender unit rates which shall be for finished work in site. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted bidder. The documents connected with the contract such as specifications, plans descriptive specification sheet regarding materials etc., can also be seen during the office days & hours in the Office of the District Officer, Ground Water department, District office, Kollam.

8. The bidder will examine the site condition and satisfy themselves of the availability of materials at nearby places, difficulties which may arise during execution etc before submitting tender for the work.
9. The bidder's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the Preliminary Specification. Materials conform to the Indian Standard Specification shall be used on the work, and the bidder shall quote his rate accordingly.
10. Every bidder is expected before quoting his rate to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc. where from certain materials are to be obtained will be given in the descriptive specification sheet. The best class of materials to be obtained from the quarries or other source defined shall be used on the work. In every case the materials must comply with the relevant standard specification. Samples of materials as called for in the standard specification or in this tender notice, or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply to site of work is begun. If the bidder after examination of the source of materials defined in the Descriptive Specification sheet is of opinion that materials complying with the standard or other specification of the contract cannot, be obtained in the Descriptive specification sheet he shall so state clearly in his tender and state where from he intends to obtain the materials subject to the approval of the Executive Engineer. The Government will not, however after acceptance of contract rate pay any extra charges for lead or for any other reasons, in case the bidder is found later on to have misjudged the materials available. Attention of the bidder is directed to the standard "Preliminary specification regarding payment of seignior age, tolls etc.
Note: - The department does not undertake to construct or make available any approach road or other means of approach to the proposed work site and the bidder shall get acquainted with the available means of approaches to the proposed site and quote for the various items. The Department shall not be liable for any claim raised later on the plea of nonavailability or non-access to the site.
11. The bidder's particular attention is drawn to the sections and clauses in the standard Preliminary Specification, i.e.
 - a. Test, inspection and rejection of defective material and work.
 - b. Carriage.
 - c. Construction plant.
 - d. Water and Lighting.
 - e. Cleaning up during progress and for delivery.
 - f. Accidents.
 - g. Delays.
 - h. Particulars of payment.

The bidder should closely peruse all the specification clauses which govern the rates which he is tendering.

12. In consideration of the bidder being allowed to quote for the work, he should keep the tender firm for a period of months from the date of opening the tender during which period or till the tenders are decided whichever is earlier, he will not be free to withdraw the tender. Any such withdrawal will entail forfeiture of the earnest money deposited for the work. Due to departmental or administrative reasons if it is found necessary to keep the tender open for a further period, prior consent of the bidder shall be obtained in writing for every further period of one month.

Contractor

District Officer

13. Before commencing work or within a week after the date when the acceptance of the tender has been intimated to him, the bidder shall deposit a sum sufficient to make up the balance amount which together with the amount of earnest money deposited shall be treated as security for the proper fulfilment of the same and shall execute an agreement for the work in the P.W. Schedule Form. If he fails to do this or in the case of P.W. contracts maintain a specified rate of progress (to be specified in each case in the tender schedule) the earnest money and security deposit shall be forfeited to Government and fresh tenders shall be called for or the matter otherwise disposed of. If as a result of such measures due to the default, of the bidder to pay the requisite deposit, sign contracts or take possession of the work any loss to Government results, the same will be recovered from him as arrears of revenue, but should it be a saving to Government, the original bidder shall have no claim whatever to the difference. Recoveries on this or any other account will be made from the sum that may be due to the bidder on this or any other subsisting contracts or under the Revenue Recovery Act, otherwise the Government may decide.
14. Acceptance of the tender rests with the Tender Inviting Authority who does not undertake to accept the lowest or any particular tender.
15. The right to carry out the work in conformity with or in a manner entirely different from the terms of this invitation that may be considered most suitable before or subsequent to the receipt of tenders due to exigencies of work, is reserved with the department.
16. Schedule of quantities, specifications of work to be done and conditions of contract to be entered into can be seen on the e-GP website. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of the schedule, that the schedule is liable to alteration by omissions, deductions or additions at the discretion of the competent departmental officer or as set forth in the conditions of contract. The bidder will however base this tender amount in the case of lump sum tender on the basis of those quantities, etc.
17. Tender forms and general specifications can be downloaded free of cost from the e- GP website. Tenders not submitted in such prescribed online format or submitted incomplete in any respect whatever such as unattested errors and corrections in rates, quantities, units or amounts (figures not expressed in words), totals of contract not entered, etc, shall be summarily rejected.
18. The earnest money deposit of the unsuccessful bidders will be refunded immediately after tabulating tenders, keeping only the earnest money of the first 2 lowest tenders via electronic media. The Earnest Money Deposit of the remaining unsuccessful bidders will also be refunded within a week from the date of acceptance of the tender via electronic media.
19. Solicitor's fee, if any, to be paid to the Law Officers of Government for scrutinising or drawing up of agreements- will be paid and the same recovered from the successful bidder.
20. In case of any additional remarks the bidders must attach/upload a PDF file along with online bid. If they are prepared to carry out at their tendered rates such portion or portions of the work as may finally be allotted to them by the Officer deciding tenders.
Note: -The Department reserves the right to allot such portion of the work included in the tender at the rates quoted by the bidder in the absence of specific noting by the bidder to the contrary against clause 4 on page 5 of tender (G W. D-Form 84). Such allotment shall not vitiate the acceptance and the bidder shall indemnify Government against any loss to Government, due to failure on the part of the bidder to carry out such portion of the work allotted to him at the rates quoted by him. The successful bidder will have to carry out 25 percent more of the estimated quantity of every item at his agreed rates. The Contract is bound to carry out sinking of wells increase up to 10 meter (ten meter) extra depth beyond the estimated design depth and rate for which shall be paid as per schedule of rate and extra item conditions. In case of pile foundation, precast or cast in site, in the same conditions as above shall apply.
21. Any further information necessary can be obtained at the office of the tender inviting authority on all working days during office hours.
22. The work should be completed in all respects Days either from the date of handing over the site or from 10th day of agreement whichever is earlier. Executing agreement for the works will be made within the time limit prescribed as follows:

Contractor

District Officer

- a. The time limit allowed for executing the agreement without fine will be 14 days (Fourteen days) from the date of acceptance of tender. Acceptance of tender rests with Technical Sanction authority.
 - b. Further time of 10 days will be allowed to execute an agreement by realizing fine of 1% of the P.A.C subject to a minimum of Rs.1000 (Thousand Only) and maximum of Rs.25,000 (Twenty-Five Thousand Only).
 - c. Tenders will be rejected, if agreement is not executed within 24 days and work will be awarded to the next lowest bidder, as per rules.
 - d. The bidder will take over the charge of the site within 10 days after executing agreement and commence the work.
23. Payment on lump sum basis or by final measurement at unit prices:
- a. Final measurements need not be taken unless either the bidder or the Executive Engineer claims extras to or deductions from the quantities of Schedule A.
 - b. In case final measurements are claimed, they shall be taken only for those items for which either the bidder or the Executive Engineer claims final measurements and the quantities of the remaining items in Schedule A shall be accepted as correct. The lump sum amount mentioned in the agreement will then be varied by addition there to or deducting there from as the case may be the difference (if any), between the amounts mentioned in Schedule A for such items and the amounts arrived at by calculation at Contract rates based on the revised quantities for the same obtained by the final measurement aforesaid.
Amendment: When payment on earth work exceeding 300 M3 are made based on the tape measurements, the bidder shall give a declaration in writing to the effect that he agrees for the recovery of the over payment, if any, from the next bill.
 - c. It shall be accepted as a condition of the contract that the payment of the final bill to the bidder less the withheld amount and his acceptance there of shall constitute a full and absolute release of Government from all further claims by the bidder under the contract.
 - d. Payment for additions and deductions for omissions. No authorised variation shall vitiate the contract but additions and omissions shall be measured and dealt with in accordance with clause 23 (b).
 - e. Items of work not expressly or impliedly described in the schedule, plans or specifications will be treated as 'extras'. They will include only items of works which through highly necessary for the proper execution of the work and for its completion, were not provided for in the original contract.
 - f. The execution of an extra item of work and payment-therefore will be based on the following conditions: -
 - i. There shall be an order in writing to execute the extra item of work duly signed by an Engineer not below the rank of an Assistant Engineer before its commencement.
 - ii. If the bidder finds, after examining the specifications and plans that extra are involved, he should give notice to the Engineer to this effect and shall proceed with the execution of the extra item only after receiving instructions in writing from Engineer.
 - g. Extra items may be classified as additional substituted or altered items, depending, on their relation or otherwise to the original item or items of work.
 - h. The rates extra shall be worked out as below:
 - i. In the case of all extra items whether additional altered or substituted, if accepted rates for identical items provided for in the contract such rates shall be applicable.
 - ii. In the case of extra items whether altered or substituted, for which similar items exists in the contract, the rates shall be derived from the original item by appropriate adjustment of cost of affected components. The percentage excess or deduction of the contract rate the original item with reference to the departmental estimated rate shall be applied in deriving the rates for such items.

Contractor

District Officer

- iii. In the case of extra items. Whether altered or substituted and for which similar items do not exist in the contract and rates exists in the schedule of rates, the rates shall be arrived at on the basis of the departmental data rate as per agreed Schedule of Rates. Tender excess, if any, will not be applied.
 - iv. In the case additional items, the rates shall be arrived at on the basis of the departmental data rates as per the agreed SOR, after applying the tender deduction except, on the cost of departmental material. Tender excess, if any, will not be applied.
 - v. In the case of extra items whether additional altered or substituted, for which the rates cannot be derived from similar items in the contract, and only partly from the departmental schedule of rates the rates for such part or parts of items as are not covered in the schedule of rates shall be determined by the Engineer on the basis of the prevailing market rates giving due consideration to the analysis of the rate furnished by the bidder with supporting documents, including bidder's profit. This shall be added on to the departmental rate (including bidder's profit) current at the time of ordering or executing the extra item, whichever is earlier for the other part the item for which rates can be derived from the schedule of rates.
 - vi. In the case of extra item whether additional, altered or substituted, for with the rates cannot be derived either from- similar item of work in the contract or from the departmental schedule of rates, the bidder shall within 14 days of the receipt of the order to carry out the said extra item of work. Communicate to the Engineer the rate which he proposes to claim for the item, supported by analysis of the rate claimed and the department shall within one month thereafter determine the rate on the basis of the market rate giving consideration to the rate claimed by the bidder.
 - vii. In the case of percentage rate contract, the rate for extra item shall be arrived at by applying the percentage excess or deduction to the departmental data rate as per the original schedule on which the tenders were invited.
 - i. Wherever the term "Departmental data rate" appears, it shall mean the rate derived from the Departmental schedule of rate and shall include conveyance charges and bidder's profit.
 - j. In cases in which the bidder has extra items not contemplated in the agreement but the rates of which require sanction of higher authorities the Division Officer may in such case, sanction advance up to an amount not exceeding 75 per cent of the amount for the items at the rate worked out and certified by the Sub Division Officer and the Junior Engineer shall in all such cases promptly record all authorised extra items executed by the bidder including detailed measurements and quantities thereof in the Measurement Book. He shall neither enter any rate for the same in the Measurement Book nor include such extra items in the body of the bill. When the bill is received in the Sub Division, the sub Division Officer shall prepare a separate statement for those extra items showing the items executed, quantity of each items rate for each item worked out by him based on agreement, conditions and amount for each item in the basis of the rate worked out by him, He shall also furnish a certificate to the effect that he has personally examined all the extra items and they are bonafide the amount payable for these items will not be less then Rs..... (Amount to be specified) and that there is no objection in paying 75 per cent of this amount as a secured advance on receipt of the bill with the above statement and certificate the Division Officer may make payment not exceeding the amount recommended by the sub-Division Officer as a lump sum secured for works done but not billed for.
24. Arbitration shall not be a means of settlement of any dispute or claim out of this contract. All disputes and differences arising out of the contract may be executed in pursuance of the modification shall be settled only by the Civil Court in whose jurisdiction the work covered by the contract is situated, or in whose jurisdiction the contract was entered into in case the work

Contractor

District Officer

- extended to the jurisdiction of more than one court.
25. The bidder shall not without the previous sanction in writing of the authority accepting the tender execute any power of attorney in respect of any matter, touching this contract, and any such power of attorney executed without such sanction shall not be recognised by or be binding upon Government or their officers. It shall be entirely within the discretion of the authority accepting the tender either to grant such sanction or to refuse it or to revoke a sanction once given.
 26. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power of attorney authorise other to receive payment on the bidder's behalf.
 27. The tender inviting authority or other sanctioning authority reserves the right to reject any tender or all the tenders without asking any reason there for.
 28. They will also establish laboratory facilities for testing the quality of the materials at their cost. The quality of materials used by the bidders should be ensured by the departmental officers and testing of the materials wherever necessary will be done by the bidder at his cost.
 29. The materials available in Departmental stores if issued to the bidder will be recovered at book value on issue rate plus 20 per cent supervision charge or market value or data rate whichever is higher. The fixing of market rate will be governed as per clause 33.
 30. In making payment the total amount of the bill will be rounded off correct to the nearest rupee if the amount is above Rs. 25 and to the nearest paisa if amount is below Rs 25. Value of quantities of the departmental materials issued for the work either allowed to deteriorate or unaccounted for amounting as it does to an excess supply over the sanction requirements shall be recovered at book value or issue rate plus 20 per cent supervision charges or market rates whichever is higher with sales tax and in addition specific penalty rate stipulated by the Department Market value will be the retail selling price of materials in the locality of the work or the nearest market town current on the day of issue, or recovery which is more. The Executive Engineer shall obtain the information and record within 7 days of such issue, sending a copy to the bidder. The decision of the Chief Engineer regarding current market rates shall be binding on the bidder. Unused balance if any at the time of completion or termination of the contract will not be accepted by the department- The cost of such materials amounting as it does an excess over sanctioned requirements shall be recovered at book value +20 per cent or current market rate whichever is higher and in addition to specific penalty rates as may be fixed by Director in the form of Departmental Circular order from time to time shall also be recovered.
 31. Cost of small excess quantity of cement may less than one full day will be recovered from the bidders without penalty and that if the excess is more than it will be transferred to other works as early as possible sub top condition that the quantity of cement is ensured by a responsible officer not below the rank of Assistant Engineer, before utilizing it in one of the works for which it is transferred.
 - a. In the case of excess steel rods, recovery of cost will be affected on agreement rates, if the excess is not due to any change in design or abandoning a part of the work.
 - b. The materials will be issued to the bidder only for meeting the actual requirement so that large excess do not occur at the time of completion of work.
 32. Bidders should declare that they are not related to any Government servant, who is in charge of or having control of the work. Relationship in this will be restricted to father, mother, son, daughter brother-in-law mother-in law/ and first cousin of the officer concerned. If the above condition is found to have been contravened, when they tender the earnest money/ security deposit of the bidder / tender will be forfeited and the contract entered into will stand cancelled.
 33. The bidder will provide his own tool and plant, store sheds to store his own materials as well as those supplied by the department and will be entirely responsible for the proper use and safe custody of the latter and also for any loss damage, theft, mishandling or any cause, whatsoever. The responsibility for safe custody of materials at work site and during transit will be vested with the bidder. The concerned Overseer in charge of the work will verify the stock and initiate action of shortage in stock in notice. Other inspecting officers will also verify the stock during

Contractor

District Officer

inspection.

34. In case of schedule rate contract, if different rates are quoted for the same specification of work under identical working condition at the same site / in different appendices of the lowest quoted rates will be accepted for the items in all the appendices.
35. The bidder shall be responsible for the safety of the labour employed by him and he shall be liable of pay the necessary compensation in case of accidents, as per the Workmen's Compensation Act. The bidder will also be liable to abide by the fair wage clause condition attached separately.
36. If the department undertakes to supply particular materials to claim for extra payment on account of delay in the supply of materials will be entertained.
37. In the case of construction of staining to wells, excessive tilts if any occurring to the extent which is more than the percentage allowed as per rules will have to be rectified by the bidder at his own cost and if the bidder fails to attend to the same it will be got rectified by another agency and cost there of recovered from the original bidder.
38. The bidder should take a license under the current explosive rules to enable him to manufacture and possess the quantity of gun powder required by him for blasting, if necessary.
39. The bidder shall employ engineering personnel as detailed below for a period of one to two years according to the tenure of the contract the Engineering Graduates and Engineering Diploma Holders respectively.

Cost of work executed	No of personnel to be employed
For works costing from Rs. 2 lakhs up to Rs 20 lakhs	One Engineering Diploma Holder
For work costing over 20 lakhs	One Engineering Degree Holder
For Pre-Qualification work/Post qualification works	One Engineering Degree Holder and One Diploma holder

40. Tenders which are not in conformity with this tender notice are liable to rejection.
41. This tender notice with the conditions stated herein will form part of the contract documents.
42. In the case of schedule contracts when the rates quoted for a particular item in figures and words disagree, the rates quoted in words will be taken for the purpose, of the settlement of the contract. The bidder is bound to accept these rates if the contract is awarded to him. Similarly in the case of percentage rate contract when the prevail percentage rates quoted in figures and words disagree, the rates noted in words will be taken for the purpose of the settlement of the contract The bidder is bound to accept these rates if the contract is awarded to him.
43. If any correction is made by the bidder in the tender schedule the tenders are likely to be rejected. Any corrections/ suggestions/ remarks etc. to be given by the bidder has to be made only in the "Remarks" page/ section of the online bid.
44. In the case of the percentage rate contract, the overall percentage rate quoted by the bidder shall not be varied on any account whatever and it shall hold good for all items done prospective of variations in quantities.
45. The quantities provided in the schedule may vary and the bidder should be prepared to do excess up to 25% (twenty-five per cent) over the schedule quantities at the quoted rate for the work.
46. It shall be accepted as a condition of contract that the landed property or bank deposit based on which the solvency certificate was issued by the Revenue Department and produced during the time of Registration will not be alienated during the period of contract without the permission of Government vide G.O. (P)No. 136/74/PW., dated 8th August 1974.

Contractor

District Officer

GRACE PERIOD

The tendering authority will consider genuine request for extension of time of completion of work at the time of executing agreement taking into account the climate conditions or other local problems at the site and grant extension of time up to three months. (From the original time of completion). The tendering authority shall record the reason in such action with facts and figures. The grace period will not be granted if the extension is necessitated due to the default on the part of the bidder.

For extension of time of completion beyond the grace period time will be increased at the following rates:

Period of Extension	Rate of fine
First extension	1% of PAC subject to a minimum of Rs. 1000/- and maximum of Rs. 50000/-
Beyond First Extension	2% of the PAC subject to minimum Rs. 2000/- and Maximum Rs. 1,00,000/-

Extension of time of completion that can be granted at a time will not exceed 25% of the original time or six months whichever is less maximum extension of time of completion will be limited to half of the original time of completion. Incentives will be paid to the bidder at the rate of 1% of the Estimate P.A.C. subject to a maximum of Rs.4 lakhs (Four lakhs) for completion of work within the agreed time limit in case of works which exceed TS power of Superintending Engineer.

47. **TERMINATION OF CONTRACT**
The present system of risk and cost termination will continue.
48. Amendment/ Corrigendum publication on e-GP website All amendment(s)/ corrigendum(s) shall be published on the e-GP website and bidders are advised to check the website regularly for the same. The department shall not be responsible for bidder's negligence in checking the website regularly for any updates on this tender.

Contractor

District Officer

SPECIAL CONDITIONS

1. All works shall be done in conformity with the specification and condition in the contract in force in the G.W D. The bidder shall quote only single rate as an overall percentage above or below or at the rates given in the schedule by a single entry at the bottom of the schedule under the head "quoted rate of the bidder" by scoring out the irrelevant portion. The rates quoted shall be inclusive once covering all the operation contemplated in the specification and tender schedule and all incidental work necessary for such operations such as shoring, bailing, form work, scaffolding, etc. The rates quoted all be inclusive of all applicable taxes.
2. The rates quoted by the bidder for the various items shall be inclusive of all tools and plants required for the proper execution work and all other incidental charges and separate claim for these will not be entertained under any circumstances.
3. The quantities shown in the schedule are only approximate and are subject to variations and the bidder is bound to do additional quantities of work if found necessary at his quoted rates.
4. All the rates quoted should be inclusive of sales tax also.
5. The bidder has to quote for the specification and unit noted in the schedule. All suggestions, remarks, corrections and insertions are only to be made only in the "Remarks" page/ section of the online bid. Any revision / correction in price shall be made only by way of submitting another bid, complete in all aspects as stated in this tender, on or before the stipulated date & time of bid submission.
6. The contractor has to quote for the specification and unit noted in the schedule. No correction of specification unit or quantity is admissible and if they make any correction in the specification, etc., the same will be rejected.
7. The scanned copy of following documents shall be submitted along with the online bid in cover specified:
 - a. Copy of bidder's Registration Certificate attested by gazetted officer
 - b. Preliminary Agreement.
 - c. Scanned copy of the EMD exemption certificate, if any

SPECIFICATIONS

PART I – GENERAL

1. The rates tendered by a Contractor for the work shall include the cost of: -
 - a. All labour and supervision thereof, all materials, tools, implements and plant of every description, ladders, cordage tackle, etc. as well as the provision of safe and substantial scaffolding required for the proper execution of the work in conformity with the various items of work;
 - b. Supplying the requisite agency with necessary equipments, to set out the work as well as to afford facilities for such examination of the work as the Departmental Officers may at any time consider desirable, as also to count, weigh and assist in the measurement or check measurement of the work or materials;
 - c. Providing and maintaining all temporary fences, shelters, lights, watchmen and danger signals and such other precautions as are necessary for the protection of the work or materials, as well as to protect the public and those connected with the work from accidents at the site of, or on account of the work;
 - d. All sheds, mortar mills and mixing platform of every kind required for the proper execution of the work according to the specifications;
 - e. All fees and royalties of materials; and
 - f. Finally clearing away of all rubbish, surplus materials, plant etc. on completion of the work and dressing and levelling off and restoring the site to a tidy condition, prior to handing over the work to the Division Officer or his authorized assistant and also its maintenance until so taken over.
2. In the case of supplies of materials such as rubble, broken stones, gravel, sand etc. which may have to be measured prior to being used on the work, the Contractor must always stack or arrange them neatly on level ground or on ground cleared and levelled by him for the purpose in such manner as may be ordered by the Officer-in-charge so that they may be easily susceptible of inspection and measurement, the cost of such clearing, levelling and stacking or arranging being included in the rates for work. Each stack must be straight and of uniform section throughout and of the dimensions specified by the Officer-in-charge. Materials not stacked or arranged in accordance with instructions issued will not be measured and paid for.
3. The Contractor shall be bound to bear the expense of defence of any action or law proceedings that may be brought by person for any injury sustained owing to neglect of above precautions in connection with the execution of the work, and to pay any damages and cost which may be awarded in consequence.
4. The Contractor shall also help himself out of any difficulties of penalties arising from interference with private property in the execution of the contract.
5. The Tenderer should state whether he has all the plant necessary for execution of the work. If the opinion of the Division Officer, Contractor's own plant is neither sufficient nor suitable for the proper execution of the work, the department may supply other available plant and recover reasonable hire for the same. The Division Officer's decision in the matter shall be final and binding on the Contractor.
6. The Contractor shall bear the running expenses inclusive of pay of the departmental staff attached to such plant and cost of repairs of all Government plant while in his possession on hire as also the cost of restoring the same in good condition at the time of return, due allowance being made for fair wear and tear.
7. All materials and plant that are to be made over to the Contractor by the Department shall be handed over to him at the Division Office or Store yards at division headquarters or the PWD General stores, Trivandrum and the charges for their handling, loading and unloading and conveyance to and from for the respective work as also for stacking the materials neatly and in regular heaps on the ground or sheds to which they are brought shall be deemed to be included in the rates for the work.

Contractor

District Officer

8. Unless otherwise specifically provide for in the contract, the Contractor shall at his own cost keep all portions of the work free from water whether due to springs, or inclement weather and neat and sanitary condition and shall also see that drainage and sewage are prevented from entering the site of work or accumulating therein.
9. The Contractor shall be responsible for the proper use and bear the cost of protection of materials made over to him by the Department for use on the work and bear any loss from deterioration of from faulty workmanship or any other cause. The cost of materials thus allowed to deteriorate amounting as it does to and excess issue over sanctioned quantities, will be recovered at rates 20 percent over the actual cost. The orders of the Division Officer in the matter shall be final binding on Contractor.
10. The Contractor shall be responsible to see that the level or the other pegs, profiles, bench marks, masonry pillars or other marks set up by the Department for guidance in the execution of the work are not disturbed, removed or destroyed, they will be replaced by the Department at the cost of Contractor.
11. Any materials brought to the site of work, or any work done by the Contractor but rejected by the Officer-in-charge as being not up to the specifications shall in the case of materials supplied be then and there removed from or broken up at the site of work, and in the case of work done, the dismantled or rectified at the expense of the Contractor, as may be ordered by the Officer-in-charge.
12. In all cases whether so specified in the contract or not, the work shall be executed in strict accordance with the Contractor's accepted tender and these specifications and with such further drawings and specifications and orders as may from time to time be issued by the Division Officer.
13. Whenever the Contractor is ordered by the Division officer or his authorized assistant or subordinate to execute any item of work which is not in the tender, it shall be the Contractor's duty to get a special price arranged for any item and to see that it is written in the work spot order book (which shall be provided by the division officer and kept in the work spot by the subordinate-in-charge) and that this order is initiated and dated by the Contractor and entered in the work spot order book and initiated both by the Contractor and the departmental officer ordering such extra item that Contractor shall have no claim for extra payment.
14. Arbitration shall not be a means of settlement of any disputes or claims arising out of the contract relating to the work.
